ABOUT US

Sobre nós

MMello Design is a stand builder construction firm.

Specialized in providing over all construction booths, also support *on site* to partners constructors and their clients.

We are a group of skilled and multilingual professionals specialized in project management, production booths, assembly and support *on site*, with extensive experience in this industry about 20 years.

MMello Design é uma empresa de projetos e construção de stands, sediada no Brasil, mas com área de atuação mundial.

Especializada no suporte on site, estando junto ao cliente em diversas fases desde a concepção do projeto ao acompanhamento do processo de montagem do stand.

Nós somos um grupo de pessoas capacitadas e bilíngues com larga experiência no gerenciamento de produção de stands há 20 anos.

MISSION

Missão

To power our foreign customer's success and increase the flow of all international clients.

Serve our customers in order to contribute in achieving its strategic goals and objectives.

Dar suporte aos clientes brasileiros que participam de feiras no exterior e suporte aos clientes internacionais que participam de feiras no Brasil e no mundo.

Servi-los para contribuir de todas as formas no sucesso de suas participações em eventos distantes.

VISION

Visão

To become our clients best partner, always offering the best final results in construction booths and demonstrating faithfully our commitment towards results.

Transformar nossos clientes em parceiros para que tenham, em nossa empresa, confiança irrestrita e o comprometimento total no sucesso final.
